

Dear Parents,

BCS offers Sally Foster products as a service to our families. You can place online orders at www.sallyfoster.com. There are no deadlines for ordering, and the products will be delivered directly to your home.

BCS earns 40% of the sales on all gift-wrap, unique gift items, bath & body products, Harry London® gourmet chocolates, Paula Deen sauces, and Sally's Home Bakery. Be sure to ask your friends, neighbors and co-workers to support BCS by ordering too!

How to Place Online orders:

It's easy...just pay with your credit card

1. Go to www.sallyfoster.com
2. Input the BCS account # **43930** so our school receives a share of the profit.
3. **Free shipping to your home on orders over \$50!**
4. Sales tax is added to online orders. Order online all year long!

Tell your friends and family members! They can place their own online orders, and BCS can get credit for their purchases if they enter our account number.

Thank you for supporting BCS!
